

Genesis 1-11

When Enoch had lived 65 years, he fathered Methuselah.
Enoch walked with God after he fathered Methuselah 300 years and
had other sons and daughters.

Thus all the days of Enoch were 365 years.

Enoch walked with God, and he was not, for God took him.

Genesis 5:21-24

Enoch walked with God and God took him. The above three verses is all that we have about Enoch, but what an amazing thing it is to know of his life with God and that God simply one day took him. This is a powerful example of the beauty that can be found while living a life for God.

It cannot be overstated that God gave marriage to mankind to be shared between a man and a woman. God's plan has always been one man and one woman for life.
